RAYMOND BLANC OBE

EVERY YEAR AS WINTER STARTS TO
THAW, I DREAM OF MY SPRING GARDEN.

The garden is the source of inspiration for my two greatest passions – gastronomy and horticulture. From this philosophy, Jardin Blanc was born.

As I write, we are preparing to open our doors for our third year. It is an honour to return to the iconic grounds of the RHS Chelsea Flower Show, a source of so much inspiration across the world. My team and I have been hard at work to bring this year's vision to life, and it promises to be a truly fantastic event.

Your time at Jardin Blanc is an experience to be savoured, but – most importantly – shared. Our garden is a space designed for enjoying the best food and drink with the best company. It is a space for special moments with special people. It is a place for happiness.

We look forward to welcoming you soon.

YOUR JOURNEY BEGINS...

Nestled in the grounds of one of the world's most celebrated horticultural events, you'll find the entrance to Jardin Blanc. Our private garden offers an oasis of calm from the bustling show. Inside, discover the perfect atmosphere for dining, unwinding and celebrating the joys of spring.

TASTE THE SEASON

At Jardin Blanc we use the very best in seasonal, quality produce. The result is superlative ingredients in every dish – from breakfast to dinner, from canapés to afternoon tea. And one cannot forget our refreshing garden-themed cocktails.

“My team join me
in wishing you
all bon appétit!”

GIN O'CLOCK

We proudly distill and bottle our own gin on site at Jardin Blanc. Our artisan gin is infused with beautiful botanical combinations. We can't wait to share this year's exclusive blends with you. Our expert mixologists will be ready and waiting.

ENTERTAINMENT FROM DAWN 'TIL DUSK

There's so much to see - and hear - at Jardin Blanc this year. Unwind with our live music by day, or let loose with our DJ by night. There are lots of unique experiences to seek out too. Why not watch a cookery demonstration by Raymond Blanc and his team? Or hear an exclusive talk about this year's prized gardens at the show?
