Team Building and Away Days

With its extensive green space Perth Racecourse is perfect for team-building away days. Our team can arrange a range of activities from highland games to clay pigeon shooting, archery to quad biking and everything in between.

We have 30 acres in which to host your activities and with lots of large indoor areas we're covered should the weather take a turn for the worse.

When organising an event including activities we recommend an onsite meeting to discuss all aspects including refreshments, activities & logistics, to ensure we can tailor your event to your exact requirements.

Ask our team for information on our full site hire and Away Day packages
