SUPPORTING LOCAL CREATIVITY

This year, we were proud to partner with students from **Benton Park School** to create artwork for our Christmas brochure. As part of our ongoing commitment to supporting local communities, we launched a creative competition designed to give young artists a platform and celebrate local talent.

We were blown away by the quality and imagination shown across all submissions and saw some truly fantastic work. Congratulations to everyone who took part. A special mention goes to **Saniyah Wajid**, whose artwork was selected as our winning entry.
